Notes:

- For vertical advancement, the teacher must have been employed by Toltec School District at least one-half year during the year prior to September 1 of the current school year. Teachers will advance no more than one step per contract year experience as per Governing Board approval.
- Verification of additional graduate credits must be filed in the District Office prior to September 1 of the current school year for horizontal advancement of the salary schedule. Credit will be permitted for horizontal advancement only for earned graduate hours obtained after the granting of the degree for related graduate hours as determined by the Superintendent. A maximum of six (6) staff development non-college credits will be allowed at each horizontal step. Fifteen (15) hours of staff development attendance equals one (1) credit. All staff development classes for salary credit must have prior approval of the Superintendent.
- A medical plan and life insurance will be provided.
- The Performance Pay Plan reflects additional Classroom Site Fund monies available for teachers meeting the criteria within the annual adopted plan.
- For information regarding stipends, please refer to the Governing Board approved stipend list.

*Emergency certified teachers on a Corrective Action Plan will earn \$32,000.00 annually and are eligible to participate in the Toltec School District Emergency Certified Corrective Action Stimulus Plan.
