### You can decide who will receive a portion of your Arizona State Taxes!

#### Arizona State Tax Credit

Would you like to take up to \$200 or \$400 off your state income tax and at the same time help support children at Toltec School District? State law, A.R.S. 431089.01, allows taxpayers to receive up to \$200 or \$400 tax credit by contributing to one of our schools' extracurricular activities. This tax credit allows any taxpayer to take a \$200 or \$400 credit before paying Arizona State Income Tax while supporting extra-curricular school activities.

- \$200 (maximum) for a single person or a married person filing separately.
- \$400 (maximum) for married couples filing jointly.

### SCHOOL TAX CREDIT PAYROLL DEDUCTION IS AS SIMPLE AS THIS!
