## You can decide who will receive a portion of your Arizona State Taxes!

### Arizona State Tax Credit

Would you like to take up to \$200 or \$400 off your state income tax and at the same time help support children at Toltec School District? A.R.S. 431089.01 allows taxpayers to receive up to \$200 or \$400 tax credit by contributing to one of our Toltec School's extracurricular activities. This tax credit allows any taxpayer (parent and non-parent) to take a \$200 or \$400 credit before paying Arizona State Income Tax while supporting school activities such as:

- **Athletics** • **Art** • **Tutoring** • **Field Trips** • **Music** (*Choir/Band*)
- **Character Counts** (*Kids at Hope/Golden Ticket Program*) • **Literacy**

- \$200 (maximum) for a single person or a married person filing separately.
- \$400 (maximum) for married couples filing jointly.
