ARIZONA STATE PUBLIC SCHOOL TAX CREDIT

Yes! I would like to donate to Toltec School District & receive a tax credit up to $400.

Did you know that Robson Ranch resides in Toltec School District's Boundaries?

Arizona Law (ARS 43-1089.01) allows taxpayers to receive a tax credit of up to $400 for donations that benefit students in our public schools. See Arizona Tax Form 322 for further details. **What is great about this is it's not just a deduction, it's a tax credit! – it reduces what you owe in state taxes, dollar for dollar!**

How does the tax credit work?

Donations are sent to the Toltec School District Business Office, earmarked for support of one of our many qualifying extracurricular activities. We will send you a receipt for your records. When you file your Arizona taxes, you can subtract your donation from what you owe in taxes. Credits should be taken in the year donated; however, donations made from January 1 – April 15 can be used in either the current or prior tax year.

What is the tax credit limit?

$400 for married couples filing jointly; $200 for couples filing separately; $200 for individuals/head of household.

How are donations used?

By law, only donations to extracurricular activities qualify for the tax credit. Donations by check must be made payable to Toltec School District #22 and directed to a specific program or activity at a specific school (below).

You may add your information to this form & make your donation in person at the Toltec School District Office or mail this form along with your check to Toltec School District. We are unable to accept online payments.
